Dear Ralph,
 You are one of my best friends and
 always will be no matter where we

 involved together in many ways on
 school together and in back yard sports.
 So may Vandy, Kentucky, and Bama live on,
 as our friendship. And good luck and
 best wishes to you.

The Tiger Staff

Foreword

We've opened the doors to memories in the preceding pages with every day happenings; we even turned back the clock to our early lives. In and around the halls of Ardmore High School girls and boys are building a life filled with dreams, thoughts and memories. The Tiger Staff presents this abstract collection of people and events of 1968, our last year at our Alma Mater.

Gives our class president
Ann Smith some advice.

Robert E. Witt

Dear Seniors:

My greatest desire, as well as the faculty's, is that when you graduate from Ardmore High School you will be ready to take your place in a world that needs good dedicated citizens. We expect you to be a credit to your Alma Mater and never fail to uphold it as a beacon in the community to guide the way for students to become successful and happy. To be something, you must do something.

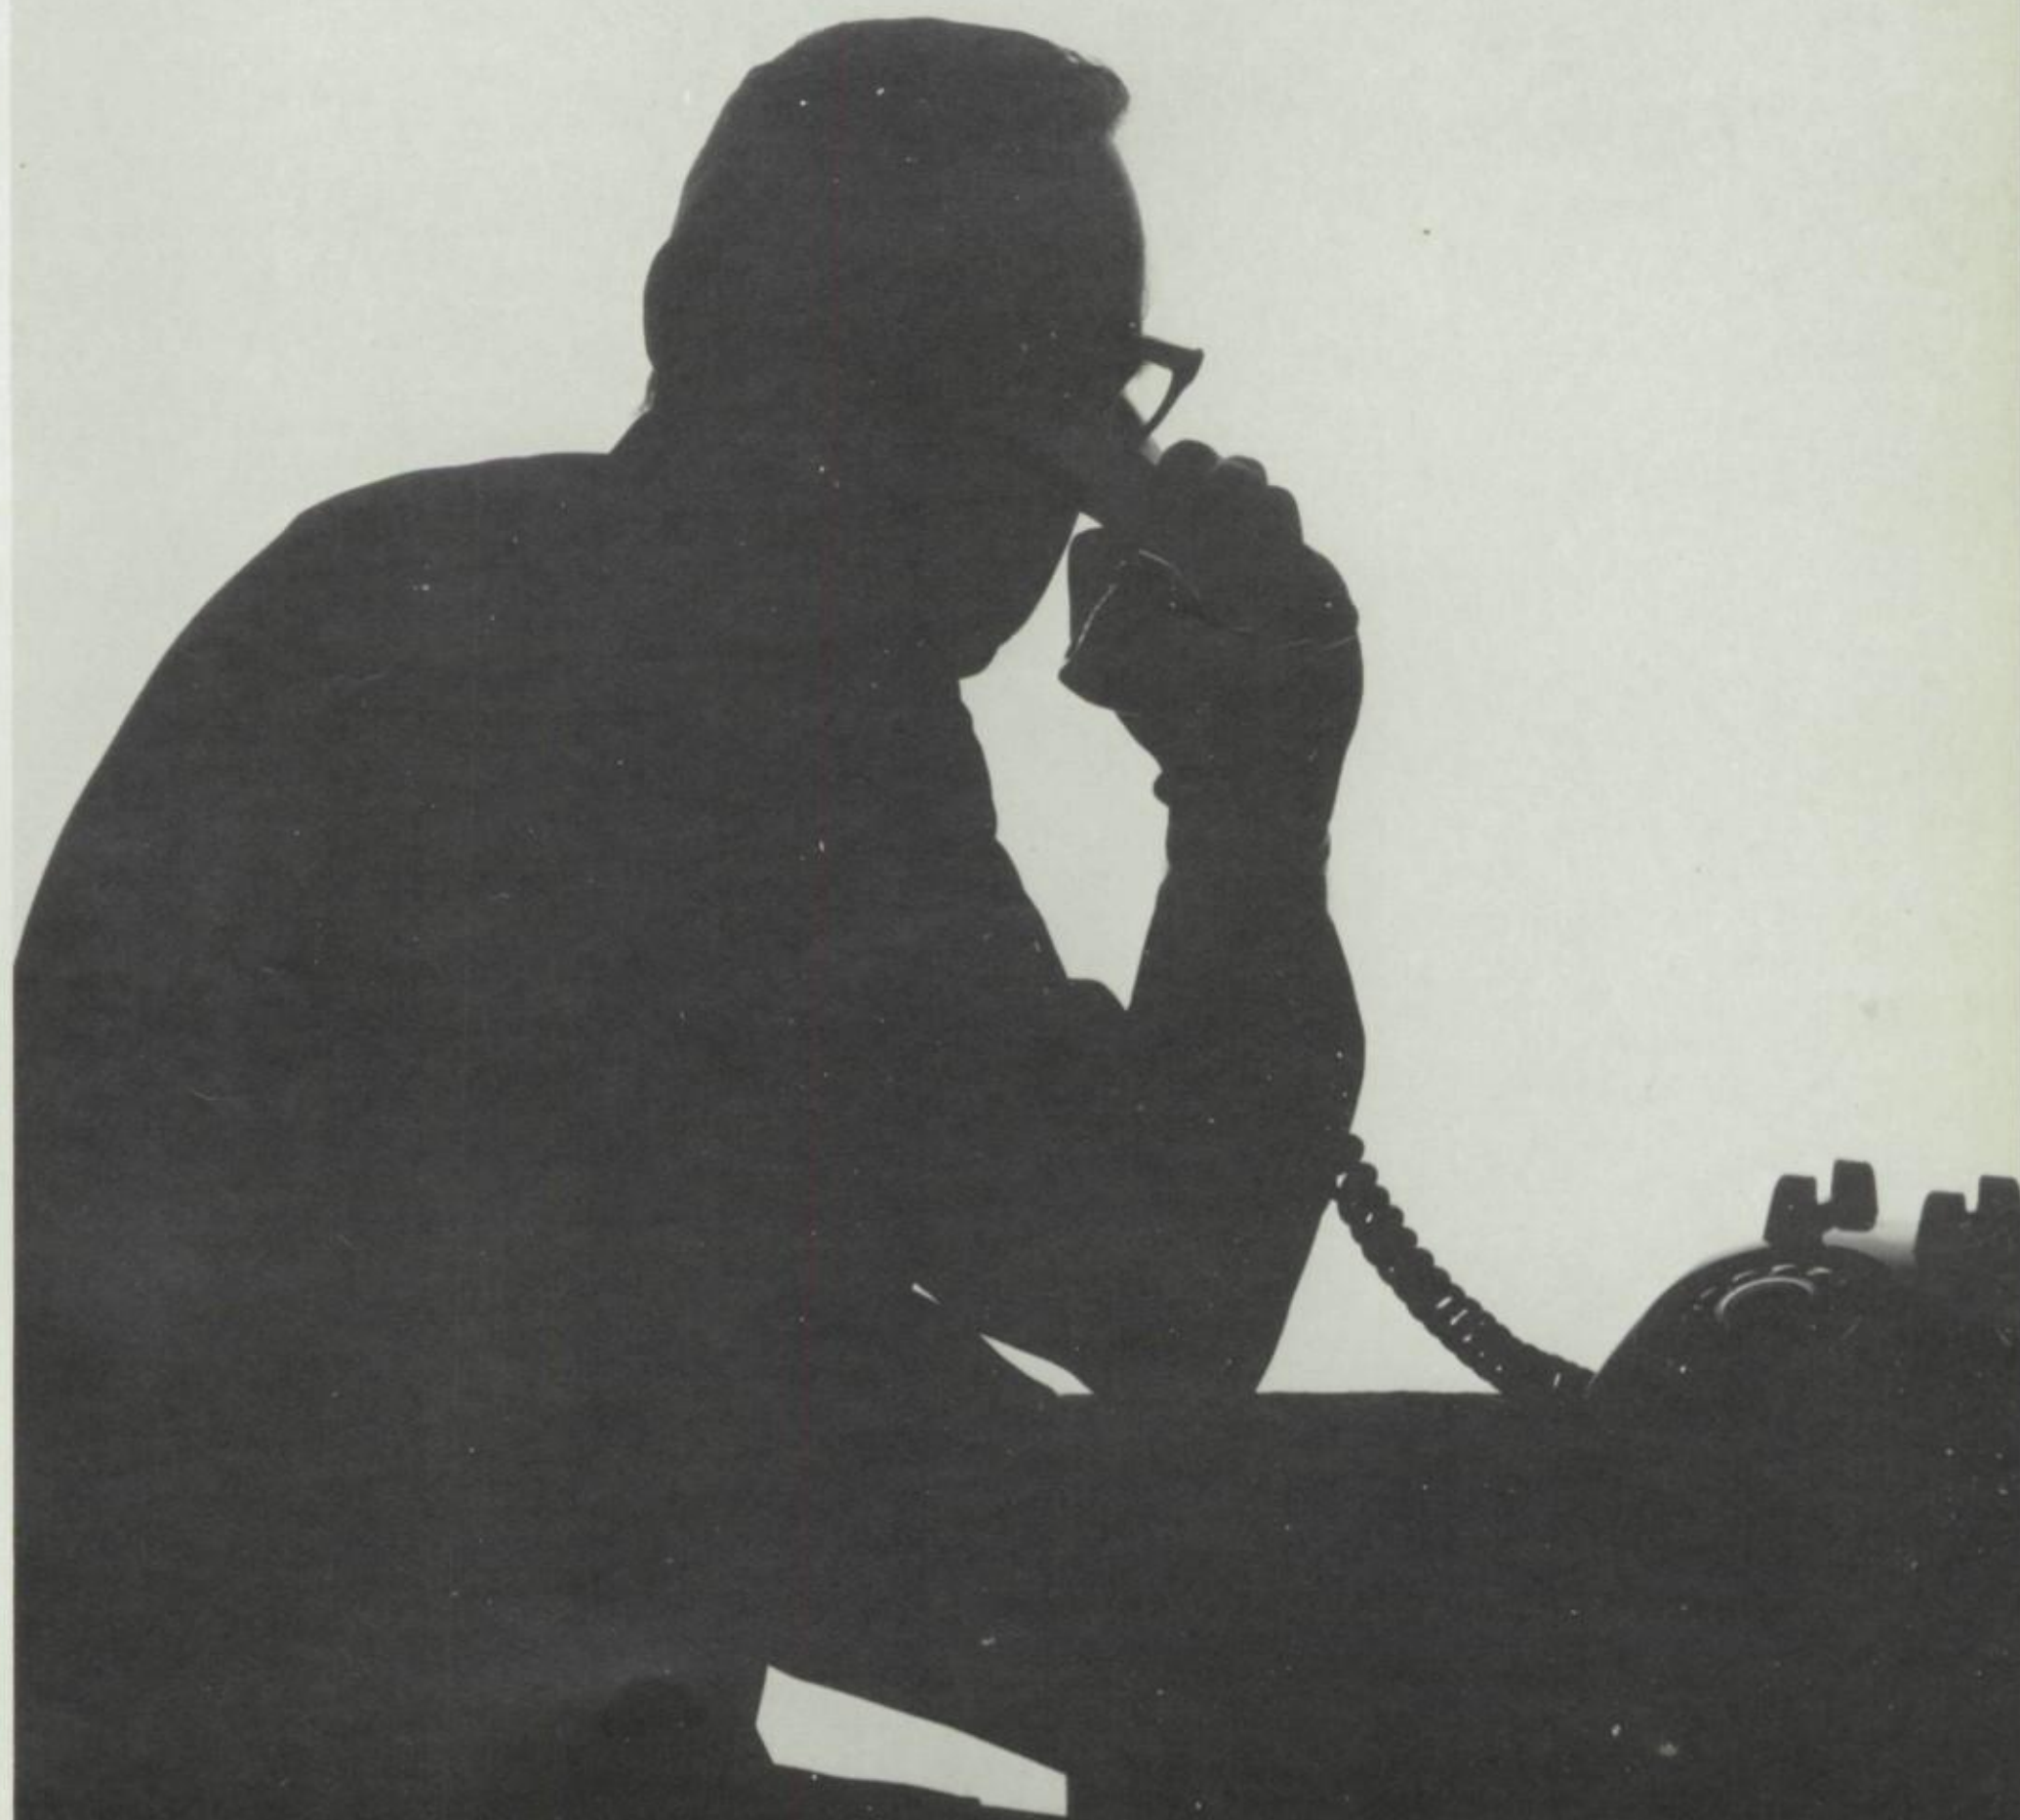

"No man is an island entire of itself."

Best Wishes!

Alma Mater

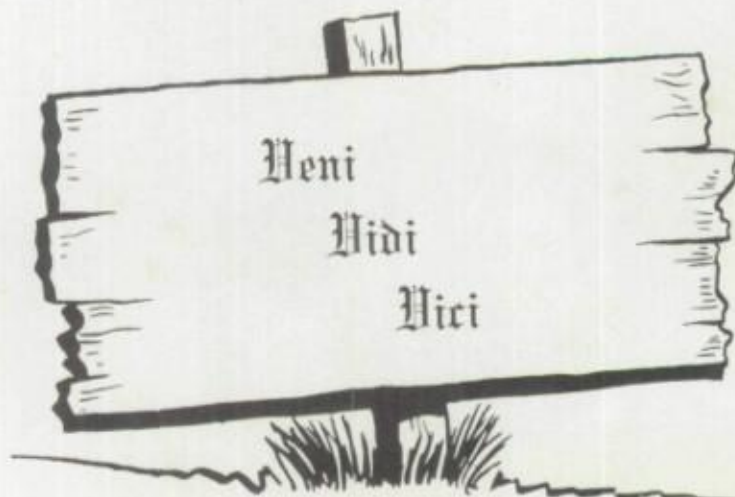

On a city's southern border
Reared against the sky,
Proudly stands our Alma Mater
As the years roll by.

High school days are swiftly passing
Soon our race is run.
While we live we'll ever cherish
Friendship here begun.

Fare-thee-well ole Ardmore High School
Never more again,
A class more faithful to their high school
Than this loyal band.

Forward ever be our watchword,
Conquer and prevail.
Hail to thee, our Alma Mater
Ardmore High - all hail!

To a real great guy
and a true friend!
Best of luck in the
future. And all the
way with Big Blue!
